

PRESS RELEASE

Safe Bag renewed - for an additional five years - the contract for the supply of integrated services for the protection and tracing of luggage within four Portuguese airports operated by ANA - Aeroportos de Portugal SA - and has added Madeira Airport

Safe Bag SpA, one of the leading companies worldwide in the protection and tracing of luggage for airport passengers, would like to announce that it has renewed - for an additional five years (November 2016 to November 2021), and through its subsidiary FlySafeb Lda, the contract for the supply of its integrated offer of services for travellers (including luggage wrapping and traceability, jointly known as Premium Package, Travel Goods and Weigh and Save) within the airports of Faro, Lisbon, Ponta Delgada, and Porto in addition to adding Madeira airport to its Portuguese network.

Safe Bag S.p.A and its subsidiary FlySafeb Lda - while awaiting the undersigning of the definitive contracts - have received a formal notice regarding the availability of ANA - Aeroportos de Portugal SA - to proceed in this manner.

The five airports listed above - and managed by ANA - represent the primary Portuguese airports with more than 38 million passengers (cumulative) in 2015 and 11.2% growth in April 2016 with respect to the same period of 2015.

"The renewal of the agreement with ANA for an additional five years - notes **Alessandro Notari, CEO of Safe Bag** - confirms the excellent relationship with our partner and with Portuguese customers as well as the value of the services offered by Safe Bag which, in 2015, reported 25% growth in Portuguese airports".

"The renewal of the Portuguese licences," notes **Rudolph Gentile, Chairman of Safe Bag**, "confirms the sustainability of our group's international presence which, following the renewals for French airports in 2015, and primarily ADP for five years, as well as the extension of the Miami contract until 2021 - can now count on five years of additional operations in Portugal.
