

Safe Bag wins five-year bag wrapping contract at two Rome airports

7/7/2017

ITALY. Security baggage tracing and service provider Safe Bag has won a contract at Rome Fiumicino and Ciampino airports.

The company will provide bag wrapping services at various landside points of sale at the airports and the contract runs for five years.

Safe Bag said it expected to commence operations from 30 August.

“Today we have laid the foundations for creating an important partnership with Aeroporti di Roma,” said Safe Bag Chairman Rudolph Gentile.

“We are sure that our new partner will not only appreciate the management skills of Safe Bag, but also the innovative characteristics of the new services we will be offering to passengers.”
