TraWell – US subsidiary Safe Wrap of Florida JV, LLC renews agreement to provide its services at Miami Airport for 6 years until the end of 2027

Gallarate, April 5th 2022 - **TraWell CO S.p.A.** (AIM Italia, Ticker: TWL), a global reference company in the protection, tracing and luggage storage services, announces that its US subsidiary Safe Wrap of Florida JV, LLC has renewed its agreement to provide its integrated travel assistance services at Miami International Airport for a period of 6 years, effective January 2022 and until December 2027.

The renewed agreement provides, compared to the previous contract, significant improvements for Safe Wrap of Florida JV, LLC, including, in particular, a reduction in the royalties recognized in favor of the airport, also to allow a partial recovery of the losses suffered due to the pandemic.

Miami International Airport is the US 10th most important airport and has historically represented, for the TraWell group, a very important strategic partner. In the year 2019 (in the pre-Covid period) Miami Airport managed a traffic of over 45.9 million passengers, of which 22.3 million on international flights.
